2. *Takes note* of the report on the end-of-cycle assessment of performance of the MYFF 2000-2003 (DP/2003/12 and DP/2003/CRP.14) as well as the comments of the Executive Board made thereon;

3. *Welcomes* the progress achieved during 2000-2003 towards meeting the goals of the MYFF;

4. *Reiterates* the role of UNDP in the area of poverty reduction and in promoting and advancing the MDGs* in support of programme countries;

5. *Stresses* that the main role of UNDP is to support, within its mandate, national development plans and priorities, and the poverty reduction strategy papers (PRSPs) where they exist, taking into account UNDP comparative advantages in capacity-building, advisory services and awareness-raising, as well as in coordinating the United Nations system at the country level and through the United Nations Development Group;

6. *Requests* that in the next MYFF, 2004-2007, UNDP align and clarify the relationship between the MDGs,* the strategic goals and the practice areas with a view to establishing a consistent framework;

* Internationally agreed development goals, including those contained in the Millennium Declaration.

7. *Further requests* that UNDP, within the context of the next MYFF, 2004-2007, revisit the practice areas with a view to sharpening further the focus of the organization, taking into account the potential for added value and comparative advantages within the multilateral development system;

8. *Notes* the progress that UNDP has made in results orientation, human resource management, knowledge management, re-profiling of the country offices and in developing its partnership strategy, and *urges* the Administrator to continue his efforts in making UNDP a more effective development partner;

13. *Encourages* UNDP within the context of the next MYFF, 2004-2007, to take account of current estimates;

14. *Stresses* the need to clarify and develop further the relationship between the priorities in the MYFF, the biennial support budget and the programming arrangements;

6. *Reaffirms* the unique contribution of UNCDF to the achievement of the MDGs* and the Brussels Programme of Action for the Least Developed Countries, and urges the international community to follow up on decision 2002/26, which articulates a regular (core) resources mobilization target of $30 million per year, in order to allow UNCDF to fulfil its mandate;

7. *Recognizes* the efforts of UNCDF to broaden the donor base, and *requests* UNCDF to inform the Executive Board of its strategy to achieve the objectives set out in decision 2002/26 at the second regular session of the Board in September 2003.
